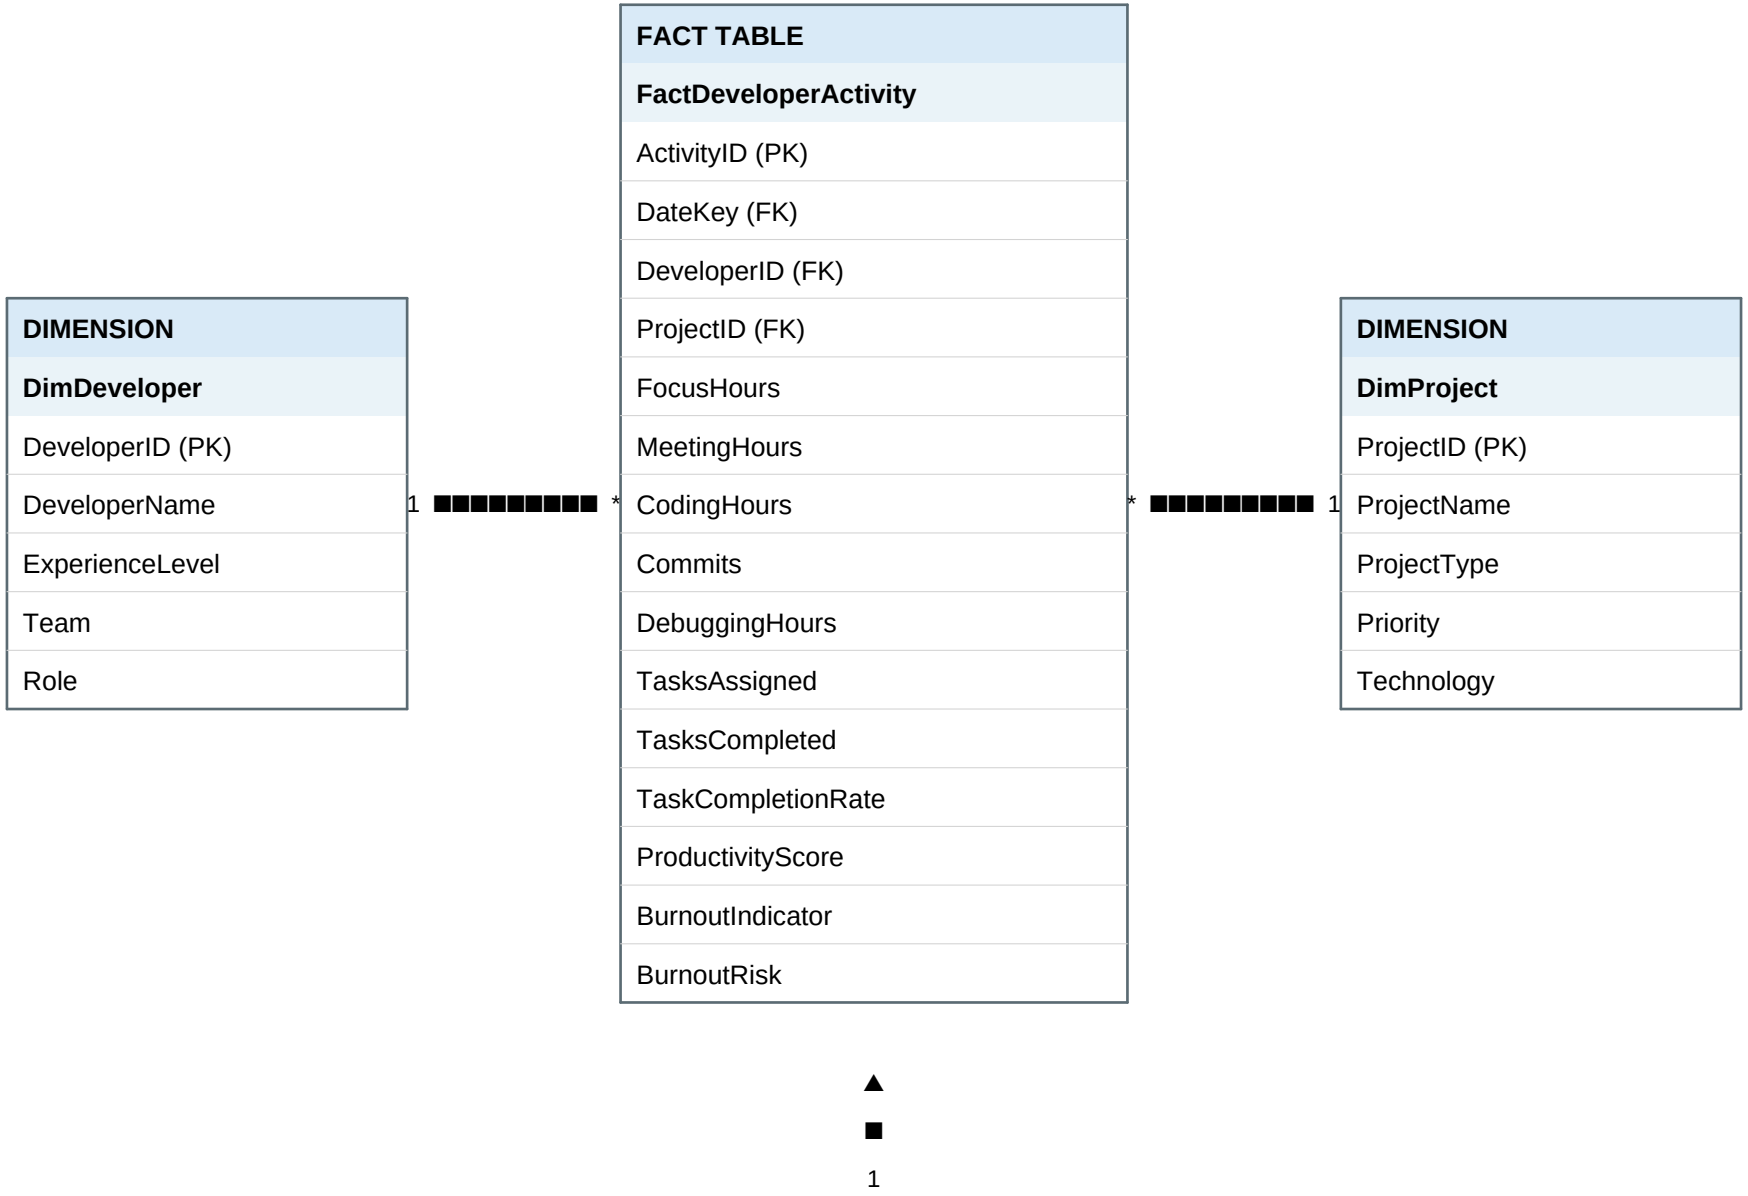
Power BI Star Schema — 1 Fact Table + 3 Dimension Tables



Relationships

Dimension Table	Key	Fact Table Key	Cardinality	Filter Direction
DimDeveloper	DeveloperID	DeveloperID	1 : *	Single
DimDate	DateKey	DateKey	1 : *	Single
DimProject	ProjectID	ProjectID	1 : *	Single

Model summary: 1 Fact Table (FactDeveloperActivity) + 3 Dimension Tables (DimDeveloper, DimDate, DimProject). The dimension tables connect to the fact table through one-to-many relationships, forming a clean Power BI star schema.
